### A Message from Pastor Bruner

Dear Brothers and Sisters in our heavenly Father's family,

This month we have two events that remind us of the role of a father. In a short time, we will honor our earthly fathers for what they do in our lives. A father provides for, protects and leads his family. The most honorable work a father does is to lead and point his family to the Heavenly Father.

Later in the month, we will celebrate our Heritage Sunday. This anniversary helps us remember the forefathers who took their faith seriously and passed it on to the following generations. Fathers are important to passing on the faith... *"...what we have heard and known, what our fathers have told us. We will not hide them from their children; we will tell the next generation the praiseworthy deeds of the LORD, his power, and the wonders he has done. He decreed statutes for Jacob and established the law in Israel, which he commanded our forefathers to teach their children, so the next generation would know them, even the children yet to be born."* Psalm 78:3-6.

Thank God for all fathers who lead us to trust in our heavenly Father. He is the One who ultimately provides for us and protects us from the continual attacks of the devil. There is great peace and comfort in knowing we have such a Father God.

An update regarding the call process. The call committee has been looking at the personal information forms and self-evaluation tools provided by District regarding our next Associate Pastor. The committee is also contacting the pastors for further responses. We pray the Lord will continue to

guide us in our search for an Associate Pastor to serve as an additional spiritual father to the congregation. Please pray for our future Associate Pastor and also for us to receive him with open arms. The call committee will present these names at the next voters meeting on Wednesday, June 13<sup>th</sup>.

God intends to bless His people whenever we gather together. Gathering together to recognize the role of our earthly fathers and forefathers is important. I hope that you will also make the effort to worship in the Summer months and socialize at these upcoming events. It will help us grow closer as the family of God.

Remember – you matter to God and you matter to me,

Pastor James Bruner

## **9:45AM Sunday Adult Bible Studies**

Join us for **Coffee Hour in the Gathering Place** before Bible Study begins.

### **Bible Study through June 17th in the Library "SETTING YOUR VISION FOR PRAYER"**

We need to stir the embers of faith deep in our souls and ignite a fire of vision for what our Lord can do if we simply make ourselves available to be answers to other's and our own prayers. God weeps and grieves over obsession with busyness, muchness, and manyness. The Lord is searching for people who will yield to Him and will go to Him for help before taking a step into the traffic of the world. Too many of us need to slow the pace of our lives and adjust our priorities and put communication with God our top priority. We want to challenge each other to take time to be a part of the new wave of prayer happening in this world. Pastor Smith hopes to enrich, encourage and enhance your prayer life so it will be effective, enjoyable, and enduring. Join us in the library for setting your vision for prayer.

### **What is Puppen fur Christus?**

It is German, meaning Puppets for Christ. They are a group of performing puppeteers. They spread the Word of God through puppet presentations of skits and songs.

Their Mission is to share the Word of God, the Love of our Lord Jesus Christ, and His Saving Grace through puppet entertainment. They present the message of the saving Gospel of Christ through skit and song.

The ministry team started in October 1981, with five teen puppeteers and two adults. They decided to call themselves "Puppen for Christus" after their German heritage. They have made over 1200 presentations to over 250,000 people during the past 33 years. They share the very important message of God's Love and Salvation.

# Bookkeeper's Corner / Memorials / Financial Info.

## The Bookkeeper's Corner

By Diane Mills  
[Finance@spsmill.org](mailto:Finance@spsmill.org)

It's June and from the bookkeeper perspective, this is a busy time of the year.

During the month of June, we close out all outstanding school accounts. Any unpaid accounts have two paths: the family cannot register for the 18/19 school year until all debts are paid, or if the family no longer has children in the school and the debt is still outstanding, we make arrangements to send their account to collections.

On June 30th, the midnight oil is burning making adjusting entries to the books and ensuring the general fund is set back to "zero" for the next fiscal year. This is how we tell if we end the year in the black or red. Unless the train falls completely off the tracks between now and June 30th, it looks like we're going to be in the black for not only the fiscal year, but for all time. Let's see what happens!

Speaking of fiscal year, the Board of Finance has been discussing the value of a mid-fiscal year versus a calendar fiscal year. For 99.9% of everyone reading this column, **when** we close our books is transparent. With the exception of the budget, everything we do is based on calendar year: W-2s, 1099s, annual report, payroll taxes, insurance premiums, and a litany of other things. After speaking with other churches, a CPA, and Michigan District, whether a fiscal year is mid-year or calendar year is of no consequence to anyone but ourselves. Let's make things simpler.

Moving to a calendar fiscal year will mean two budget cycles this year **only**. The budget we will approve for 18/19 will be brought to voters at the June assembly. We will begin a calendar fiscal year budget cycle in September for calendar year 2019. Since the 18/19 budget will have been approved, we already have the first 6 months of 2019 done. We will just need to budget for the remaining six months of 2019. We only do this once (two budget cycles in one year).

This has been a fruitful year. Each board has taken stewardship of their funds seriously - we don't spend money we don't have and we're now seeing the fruits of our labor. As we continue marching toward surplus funds, we look to the Gospel of Luke 14:28: *Suppose one of you wants to build a tower. Won't you first sit down and estimate the cost to see if you have enough money to complete it?"*

**"Sidewalk Advocates for Life"** training session -- Saturday, June 16th from 9AM-3PM at Valley Lutheran High School.

Are you pro-life and want to DO SOMETHING to save babies from the Saginaw abortion clinic? Please consider attending our 1-day intensive training session to become a Sidewalk Advocate for Life. This program equips trainees to counsel women in crisis pregnancies as they enter an abortion clinic. Don't feel qualified to do sidewalk counselling? Almost nobody does...yet someone must advocate for the unborn. If we don't, who will? Sidewalk advocates are an unborn child's last best hope for life. Our approach is not confrontational; we simply offer love and help for both mother and baby. Does it work? YES!!! We have seen babies' lives saved through Sidewalk Advocacy in conjunction with the efforts of Beacon of Hope pregnancy care center (next door to the abortion clinic). Questions? Want to hear more? Please contact Bess Winter at [bwinter@vlhs.com](mailto:bwinter@vlhs.com) or (989)295-0055 for more information or to register for this FREE training session. Ages 16 and up only.
