Phone: 989-871-4581 ext. 4 Fax: 989-871-5573

Mr. Paul Schoenknecht, Principal, [paul.schoenknecht@stpaul-millington.org](mailto:paul.schoenknecht@stpaul-millington.org)

*St. Paul Lutheran School is committed to engaging students  
with a comprehensive education ground in God's word to prepare them for a life in Christ.*

COVID Update: On January 9<sup>th</sup>, we received notice that one of our students tested positive for the COVID virus. As a result, our seventh and eighth grade students were placed in quarantine and conducted remote learning until January 19<sup>th</sup>. Thanks be to God no one else contracted the virus. At this time one of our students is in quarantine due to close contact with a person who tested positive.

St. Paul has completed an audit by Michigan State Police, Criminal Justice Information Center and Security and Access Section concerning security of background checks practices and policies. Mrs. Leach and I also completed needed training to administer the practices.

A Child Nutrition Integrity Plan has been developed for our food service. Included in the plan not only what our food service provides but also the availability of food service when remote learning is required.

The first meeting of St. Paul marketing focus group was held on January 13<sup>th</sup>. Prioritizing the function of the group was our major objective. The following items were deemed as most important:

- Provide information about our school to area Christian congregation
- Use Facebook to share information
- Establish a school website
- Develop an information packet for preschool, Kindergarten and new families

Upcoming Events:

- March 7-14 Lutheran Schools Week
- March 14 Preschool and Kindergarten Round-up
- March 29-April 5 Spring Break
